**Trivia :**

Fairbanks is on a Hats standards push which ties in with tonight's guest therefore various puppets all have hats this week.

Morris is the subject of some story writing from Annewyn Philips in which he plays the villain in a story based around the Crotchet Kid.

The Monkey with the red jacket & the frog on his head is named as "Kipper".

Sooty & Sweep (both in hats) are the backing dancers on "All The Dinner Ladies".

Amanda sticks fake eye brows all over Scott during "Paint 'Em Back" which had been on Mr. Pig.

Winonna has some extra word definitions relating to hats "Capellophile" a love of hats and "Cocklaphobia" a fear of hats.

Gervais sings along in "Somebody To Love" only singing "Hello".

Scott smacks his hat onto Emu, covering his whole head during "Massage In A Brothel".

The final banner text reads "Thanks for joining us – see you next time for a big celebration"

There is a Barnsley Bob Ross clip after the final Test Card at the end of the show where he says "It's enough innit!".

**Quotes :**

"Percy's been a militant milliner" (Fairbanks)

“The plot thickens”

“Are you looking at my bra?”

“I want a hat but I can’t make one.....I haven’t got any hands” (Ringo)

“I’m not fat shaming Cheeky Monkey”

“She wrote the mucky lines” (Scott about Amanda’s contribution to “Viva Skeg-Vegas”)

“Laughter is the best medicine unless you need insulin”

“It is an amazing levitating hat”

“Gordon made me a Fez” (Ringo)

“Easy, you nearly took my eye out with that, you nightmare”

“I’ve already got superpowers , I don’t need more but the headgear helps in high winds” (Gordon)

**Scott’s Tank Top Badges :** One Trick Pony & God Bless Val Doonican

**Pre-Show Nerves :** (Length: 08:06)

**Records Played:**

The Specials

The Equals

Wild Cherry (Play That Funky Music)

**General:**

A couple of records on tonight. First up is The Specials and the second, “a real banger” according to Scott, is Eddy Grant in The Equals.

In the tank top department we have a pink and mint number with a rather groovy shirt with small pink circles.

Scott pops on a third record, a funkier one...a clue to tonight’s guest apparently.

“Have fun, see yer in a bit. Ta ra!”
