**Records Played:**

Songs From The Deep Forest (Duke Special)

**General:**

Scott's looking very Christmassy tonight in a black tank top with white snowflakes and a large jolly Santa, over a red shirt. One badge: A Christmas pudding on a pale orange background.

He says he has two of these tank tops, with one fitting better than the other.

"It's cuz of me brown bin's full of bottles," he chuckles. "I've drank a bit too much of late, so I probably need to cut back a bit."

Scott's really looking forward to tonight's guest.

It's a bit nippy outside, so he's already put the fire on in the van ready for the aftershow.

Alan's sister Sue pops in on the chat from down in Devon.

"Have fun you crazy kids. Enjoy."

**Aftershow : (Length: 29:04)**

**Location:** The campervan

**Songs Played:**

Cousin Jack (Show Of hands)

Ever Fallen in Love (The Buzzcocks)

This Town Ain't Big Enough For The Both Of Us (Sparks)

Why Does It Always Rain On Me (Travis)

**Shit Raffle Winner:** Frances Phillips & Alan Flint

**General:**

Scott takes a slug of beer as the aftershow opens.

"It's absolutely bloody Baltic" down in the van, despite him putting the fire on earlier.

"To be honest, I'm going to struggle ere to play me guitar, cuz me fingers are like proper frozen."

The puppets are staying warm in the house.

Scott says a big thank you to Hannah Johns for her guest spot on the main show.

He picks up his guitar to play some songs, spots a crocheted blanket nearby, thinks he could wrap himself in it but worries he'll look like "Captain Crochet". Battling the cold, he goes for it anyway, draping it round his shoulders. He does indeed look like Captain Crochet.

First song: Show Of Hands' Cousin Jack.

A bit of chit chat, then straight into the second song: Never Fallen in Love, The Buzzcocks.

Big Neet In 2, The Album...should that be a thing? Fans are asked to let Scott know.

Next up, This Town Ain't Big Enough For The Both Of Us by Sparks. Also covered by Scott and Danny Doonican back in the day.

Then Travis, Why Does It Always Rain On Me.

Finally, Frank Turner, Photosynthesis.

Scott and Amanda sit together.

Still freezing, hurried goodbyes are said.
