**BIG NEET IN #63**

**It is a period of unrest. After 62 weeks of working from home, our hero Cheeky Monkey has been sent to PayPal jail for alleged crimes to livestreamed gigs and Shit Raffle shenanigans. As a result of this outright travesty, and in their continued quest to keep standards of the utmost importance, Scott & Amanda (ably aided and abetted by the Rebellion Puppet Alliance) have had no choice but to continue keeping it light, and ditch the Shit Raffle in favour of a system that won't see any of the other BIG NEET IN cast being sent to Paypal Jail. Be sure to get your "donation" tickets (if you want to!) and tune in over the following three Saturday's to find out what will happen to our hero...and to see the RETURN OF THE BAR-STEWARDS SONS OF VAL DOONICAN LIVE AT THE PINT & PUPPET!**
