BNI #1 Pre-show video title on Facebook: About Later...

This is the first BNI pre-show and took place during the afternoon.

Scott bids everyone "Afternoon folks!"

He's wearing a black Saxon T-shirt with a white logo.

He presents standing in front of a large backdrop of himself, which hangs from his floor to ceiling CD cases in his music room. This is the set for the first Big Neet In.

Details are relayed about how to tune in to BNI #1 on YouTube.

Viewers are reminded to have a pen and paper ready for Brian Blessed's quiz.

He laments the fact that his normally tidy room is looking a bit messy. This is due to instruments, sound gear etc. being set up in front of the backdrop ready for the show.

Emu sits perkily on the back of a red chair, mouth open, tongue hanging out, almost smiling.

Scott checks the live comments feed, says: "I hope you'll all tune in."

A couple of sad and angry emojis float by: "This is the fun of social media, int it? If you're a sensitive soul, like meself, then, er, you end up kinda feeling bad whenever the haters come in...s'alright, I'm not really bothered."

Continues: "I've had such a shit week, this week, that, to be honest, this is gonna well and truly perk me up. Whether it perks anybody else up, or not?.....I'm hoping it does though, cuz that's what I'm here for...it's like a public service, er, to you guys for being lovely. Erm, so yeah...all I'm gonna say before we, we start it all is...erm...try and keep yerselves indoors...erm...cuz that's important. You don't wanna get or give anybody else yer germs n that. And then, hopefully, if everybody does do that, it means that we can all get out sooner. Cuz otherwise, all that happens is, everyone gets infected and then we all end up stuck in...it's shit!

Then: "Come along at 8 o'clock and enjoy 2 ½ hours of absolute bloody mayhem...and hopefully the broadband 'll hold out long enough for us to do it."

Ends: "Strap yerselves in kids, it's gonna be a bumpy old ride. Make sure you get plenty o beer in. If. You. Can. Obviously, don't go to the shops n panic-buy, cuz that'd be ridicULOUS. Don't be an asshole! Anyway, have fun and I'll see you all later. Ta-ra. Bye!"

BNI #1 Aftershow video title on Facebook: Thank you...More?

This is the first aftershow party.

Scott opens with: "Evening!" followed by a tipsy giggle.

He adjusts his wig, tugging the fringe forward.

He thinks some people might still be over on YouTube.

Says: "It's been an incredible night and, erm, I have to level with you all. I had a really tough week, this week, in my head. Er, and I'm pretty damn sure that there's nobody in this group that didn't have a bad week."

Later: "We'll get through this."

Bemoans Number 10 advice, then: "I'm not gonna get political."

Scott says he's going to do a public poll and, depending on numbers, is considering doing a second Big Neet In the following week.

He thanks everyone who watched BNI #1 (over 1000 people).

4:08 Amanda is introduced and Scott turns the camera on to her. She's looking at her tablet. Scott explains that she's been replying to as many people as possible.

100s of messages are flooding in. Due to this Facebook have "told us we are spamming our own fucking page!"

They are temporarily banned from answering comments.

Amanda thanks viewers. Mentions the donation link. It seems some people failed to notice it, even though it had been on display at the bottom of the screen during the main show.

Scott provides the donation link again, holding up an A4 sheet of paper with it on. He realises it's back to front. He reverses the camera to reveal the link as: www.paypal.me/doonicans

He says he'll use donations, not just for the Doonicans, but also to help out Marcus Ward, a sound technician well respected by the band, who, along with many others, lost work due to the pandemic.

Scott gives credit to the NHS for their hard work.

He suddenly becomes distracted as, while sitting in front of a backdrop of himself wearing a tank top and wig, while he's wearing a tank top and wig in reality, it appears as though he has a double wig.

Amanda tells him to stop rambling.

The aftershow ends with them standing side by side, Amanda waving and Scott saying: "God bless. Good night and stay safe. We'll hopefully see you on the other side. Goodnight. Cheers!"
