**Scott’s Tank Top Badges : Go Folk Yourself & Richard Ayode**

**Pre-Show Nerves : (Length: 05:53)**

**Records Played:** Katzenjammer

**General:**

Tonight's finery is a pastel striped tank top with mint edging over a rose pink shirt, with a black Go Folk Yourself badge and a Richard Ayoade one.

Now defunct Norwegian electro-punk/rock band, Katzenjammer, offers up a jazzy 20s style number as the pre-show opens.

It's looking like Bearded Theory will get moved again, and it appears the suggested new date will clash with Whitwell Festival, which Alan organises. Though Scott says he thinks something will be sorted with regard to that.

Fans are encouraged to spread the word about Big Neet In.

Scott says "Cheers!" heads off for the main show.

**Aftershow : (Length: 31:51)**

**Location:** The campervan

**Songs Played:**

Gimme! Gimme! Gimme! A Man After Midnight (ABBA)

She's From Dodworth (The Bar-Steward Sons Of Val Doonican)

The Two Of Us (The Beatles)

Rio (Duran Duran)

Oliver's Army (Elvis Costello)

Barley & Grape Rag (Rory Gallagher)

**Shit Raffle Winner:** Neil Schofield & Martin Golding

**General:**

Scott's fingers loom large on screen as he scrolls to check fans are arriving.

His next door neighbour's dog can be heard "yapping like mad" outside.

It's another cold one in the van tonight, despite Scott having had the heater on for most of the afternoon. Amanda's snuggled in her warm festival jacket, nursing a glass of pink gin.

Steph Shaw thanks Scott for having her on the show. Scott and Amanda say sometimes she doesn't know how good she is.

Picking up his guitar, Scott kicks off with Gimme! Gimme! Gimme! A Man After Midnight (ABBA).

It's announced that next week's show will celebrate Burns Night and that Gloria is likely to "go mental" with excitement.

Steph Shaw asks whether it's too late to put in a song request. She wants She's From Dodworth because...well...she is from Dodworth. Scott obliges.

Next, The Two Of Us, by The Beatles.

Then it's down to Rio as Scott covers Duran Duran's 80s classic.

Scott says the next song came out on the date he was born in 1979. It's Elvis Costello's Oliver's Army.

After regaling a story about thinking he'd made it after getting prawn sandwiches on his rider, Scott ends on Rory Gallagher's Barley & Grape Rag.

He goes and sits next to Amanda.

Bit more chit chat...aaaannd they're off.

Until next week folks!
